#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

NASA's final regulations that published in the Federal Register of October 4, 2012 [77 FR 60622] inadvertently omits the responsibility of NASA's Freedom of information Act (FOIA) Office that processes requests for individual records. An individual's access request for his/her own record maintained in a system of records are processed by NASA's Privacy Act Office and FOIA Office staff. Therefore, this correction adds responsibility of the FOIA Office. This corrections also corrects the title to §1212.201 and terms that were missed in the initial publication.

##### **Need for Correction**

As published, the final regulations contain omissions, an incorrect section title and terms which may prove to be misleading and need to be clarified.
